Welcome to Hartland High School!

September is Childhood Cancer Awareness Month

Hartland High School proudly recognizes September is Childhood Cancer Awareness Month!

Childhood Cancer is the number one disease killer of children. We lose more children to cancer than all other diseases combined. Many of our students have been afflicted with this disease in their lives, and some have even lost friends to this disease.

This September, HHS challenges you to do something to fight against Childhood Cancer!

- Get Involved
- Speak Up for KIDS
- Share Info on Facebook Twitter & Instagram
- Wear gold in support of childhood cancer awareness!

Kids can't fight cancer alone! Please consider donating to organizations committed to funding the most promising research to find cures for Childhood Cancer, and give survivors long, healthy lives:

- St. Baldrick's
- Alex's Lemonade Stand
- CureSearch
